4. What to do if you have a complaint about our services.

Other documents you may receive

In addition to this FSG, I will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. I may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When I provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. This will contain a summary of your goals and describe the strategies, products and services we recommend and outline any fees or commissions we will receive and any associations we have with financial product providers or other parties that have not already been disclosed in this FSG. If you receive further financial advice from us, we will present you with either another SOA or keep our own written Record of Advice (ROA).

You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details. We will also provide you with a Product Disclosure Statement (PDS) or offer document for all financial products we recommend, where applicable. This will outline the product in detail to help you make an informed decision about whether it is right for you.

About your adviser

Your adviser acts on behalf of Hordern Wealth Management who is the holder of Australian Financial Services licence number 516672. Under the Corporations Act, our primary responsibility is to you, our client. We can provide a wide range of services from strategic advice, to investment advice, to advice on a wide range of insurance products such as life, trauma and income protection. Further details of the payments we receive form part of this FSG.

Angus Hordern successfully passed the mandatory FASEA exam requirements in December 2019.

Not Independent

Hordern Wealth Management can receive a commission payment on Life Insurance Products. For those products, this allows us to advise and place your insurance without charging you, the client, directly but rather receiving remuneration from product issuers. By doing this we are not allowed to use the words Independent, Impartial or Unbiased when describing our business. For more information on this please ask us. It also means that we will handle all your claim processing without charge. This is important because we have had some difficult claims paid after 12 months of on-going negotiations with Insurance Companies. Angus has had 2 such cases, both claims were successfully paid.
